Oil & Filter Recycling Containers and Funnels

At GEO Plastics, we are committed to designing and manufacturing oil and filter recycling products that are safe, easy to use and environmentally friendly. To support our on-going commitment to recycling and the environment, we use recycled plastic whenever specified.

Plastic Wheels for Roll-Out Carts

At GEO Plastics, we are committed to supplying the recycling and waste hauling industries with high quality, durable products that excel in the field. Our plastic wheels for residential and industrial roll-out carts are an example of this commitment.

Call (800) 344-1378 for more information or to order any of our quality products or services.
